REFERENCE:-

In their order Ms.No.1244, Finance, dated 24.11.1949, Government have permitted officers of Grade VI and VII to travel by Class II(Special) at nights when the journey exceeds three hours. Assistant Inspectors of Excise belong to Grade VIII and are not therefore, entitled to this concession. They have to travel by class II in which sleeping accommodation is not provided.

2. The Assistant Inspectors, North and South, Excise and Prohibition Intelligence Bureau, Madras, will be constantly touring and sometimes, they have to undertake long journeys. As they are engged in detection work, it is necessary that ~~sleep-at-nights~~ they should be active. At present, they cannot have proper sleep at nights in their journeys by Class II. Loss of sleep is likely to affect the efficiency of these officers adversely. The Board therefore requests that the Government may be pleased to permit the Assistant Inspectors, North and South, Excise and Prohibition Intelligence Bureau, to travel by class II (Special) at nights when the journeys exceed three hours duration. The Board in this connection, invites the attention of the Government to their order Ms.No.3014, Revenue, dated 5.12.1940, in which they permitted the Assistant Inspector, North, Excise Intelligence Bureau, to travel by Second Class at nights.
